Journal Application Form

Before you start

Read our information for publishers, review your website and make sure that your journal fulfills all the criteria.

If you know of a peer-reviewed journal that should be included in DOAJ, please ask its publisher or editor to complete this form.

We provide some guidance on the information we are looking for but that list is by no means exhaustive. Applicants are encouraged to complete the form clearly and honestly. If you do not understand a question, you can ask for help by contacting us.

It is not possible to save your progress or for us to send you a confirmation email (although we will show you a confirmation screen if the application has been submitted successfully) so, we recommend you gather the information you need first. We have created a spreadsheet guide of the form, and provided some other tips to help you. Guides are also available in other languages (العربية, 中文, فارسی, français, Bahasa Indonesia, Italiano, Polski, Português, Română, Русский, Español, Türkçe, Українська).
